

NATIVITY CATHOLIC SCHOOL

2008 National Blue Ribbon School
The Nativity Star - leading the way to Christ

Dear Prospective Family,

Welcome and thank you for your interest in Nativity Catholic School. At Nativity, our Mission Statement is *“To provide an atmosphere where every child is valued as a unique child of God, to inspire in the students a life-long desire for learning, and to encourage students to develop their full potential, spiritually, academically, socially, emotionally, physically and culturally.”* With this statement as our guideline, our community is committed to providing a Christ-centered environment that fosters strong Christian virtues as well as a solid academic education. Nativity recognizes that each child is created in God’s image with unique gifts and talents to be discovered, explored and nurtured.

Our faculty truly loves to teach and it shows! Our teachers provide an excellent foundation by balancing comprehensive programs in academics, fine arts and physical education that is academically challenging and promotes outstanding individual conduct. To support this goal, we have made it a priority to make available to our students’ premier facilities and equipment. We also believe that children need to be fully prepared to undertake higher challenges; Nativity continually works to equip our students with opportunities for leadership development, personal responsibility, critical thinking and strong study skills. Our school distinctly builds strong Christian virtues by student ownership of outreach programs and service to others in order to positively meet these challenges.

The enclosed information packet is designed to help you get to know our school better and hopefully answers some questions. Please don’t hesitate to call our school office at (703) 455-2300; Mrs. Amor Paulson, School Registrar will be very happy to assist you.

God’s blessing to your family,
