

Day 2 | Honduras Mission Trip | Monday, July 13

Day 2 was filled with gratitude, hope, and inspiring encounters.

We began by visiting the Food For The Poor Honduras office, where we presented a plaque as a small token of appreciation for our faithful partnership in serving those most in need.

Our team proudly wore the prayer bracelets made by our Nativity friends, [Kind Leaders](#). Each bracelet was a beautiful reminder that our parish community is walking alongside us through prayer, generosity, and hope.

We then traveled to the sustainable community of **Nuevo Renacer**, where we visited the sewing and welding workshops, the local school, and met community leaders like Manuel, who will build the beds for the homes in **Nativity's first village development project in Honduras—San Francisco Community**.

One of the most inspiring moments was hearing Doña María's testimony. Thanks to the support and encouragement of generous donors, what began as selling bread from a bicycle has grown into a thriving bakery that now employs 10 people, providing income and stability for their families. Father Bennett blessed her business and its workers, and we were treated to some delicious fresh bread.

We ended the day celebrating Mass at **San Vicente de Paul Parish**, where one of our missionaries had the joy of joining the local choir in song; a wonderful reminder that, although we may come from different places, we are united as one family in Christ.

Thank you for continuing to keep our missionaries and our brothers and sisters in Honduras in your prayers. We are grateful to share this mission with you.

"Let each of you look not only to his own interests, but also to the interests of others." —
Philippians 2:4

- Patty

PLAQUE (You can add this description to the picture of the plaque presentation)

Presented To:

FOOD FOR THE POOR HONDURAS

Thank you for the faithful partnership, hospitality and commitment.

May our shared mission continue to bring hope and love to God's people.

"It made a difference to that one."

Do not grow weary in doing good. Gal 6:9
